About Us

Who we are

We are a team of professionals who studied in China ourselves. After completing our education, we gained valuable work experience for three years in China and then launched our own business there. This first-hand journey taught us the real opportunities China offers.

We believe studying in China opens doors to world-class education, a dynamic economy, and a unique cultural perspective. From advanced infrastructure to growing global networks, China offers a launchpad for ambitious students.

At M & C Scholarship Consultancy, we guide students through every step - from choosing a program to scholarship support, application preparation, visa guidance, and payment assistance - so they can begin their academic journey in China with confidence.

Our mission: make studying in China clearer, easier, and more accessible for students seeking quality education and scholarship opportunities.

Our Services

Personalized Consultation

Guidance to choose the right program, university, and study pathway based on the student's background and goals.

Scholarship and Funding Guidance

Support in identifying scholarship opportunities and preparing stronger applications for funding.

Application Document Preparation

Step-by-step help with forms, document checks, statement guidance, and submission support.

Pre-departure Orientation and Visa Assistance

Practical guidance before travel, including visa support and preparation for studying in China.

Fee Payment Assistance

Help students understand and complete tuition or other required university payment processes correctly.

WhatsApp: +8615151876122

SUCCESS STORIES

Trusted by students across continents

A growing global student network

We have supported students from Ghana, Zimbabwe, South Africa, the USA, Jamaica, and many other countries who are pursuing education opportunities in China.

Ghana

Zimbabwe

South Africa

USA

Jamaica

The Application Journey

A simple step-by-step process from first consultation to departure

01

Consultation

We understand the student's goals, budget, and preferred program.

02

University & Program Selection

We help choose suitable universities and courses in China.

03

Scholarship Matching

We identify available scholarship opportunities that fit the student's profile.

04

Document Preparation

We guide the student in preparing and organizing all required application documents.

05

Application Submission

We assist with submitting applications correctly and on time.

06

Visa & Pre-Departure Support

We support students with visa guidance, fee payment assistance, and preparation for travel.

We make the process clearer, easier, and more organized for students applying to study in China.

WhatsApp: +8615151876122

Why Choose Us

Why students trust M & C Scholarship Consultancy

With direct connections to schools in China, we understand what different schools are looking for and help students apply in a smarter, more effective way.

01 Direct School Connections

We have direct connections with schools in China, which gives us better insight into the admission process.

02 We Know What Schools Want

We understand the kind of students schools are likely to accept, including common expectations and priorities.

03 Stronger School Matching

We help students apply to programs and universities that fit their profile instead of guessing blindly.

04 More Effective Applications

Our guidance makes applications more targeted, polished, and effective from the beginning.

05 Less Trial and Error

We reduce the time, stress, and mistakes that often happen when students apply through trial and error.

06 Better Admission Strategy

We help students take a practical and informed approach that improves their chances of success.

We make the process more strategic, efficient, and reliable than applying through a trial-and-error approach.

WhatsApp: +8615151876122

Contact Us

Start your study journey in China with the right timing and strategy.

Admissions take place two times a year — March and September.

Contact us now so we can advise you on the best time to apply and the best way to apply based on your profile and goals.

01 March Intake

Apply early for spring admission

Best for students targeting schools and programs that open mid-academic year.

02 September Intake

Main admission season

Ideal for students applying to the major annual intake with wider program options.

We help you choose the right intake, prepare your documents properly, and apply in a smarter, more effective way.

Contact us through WhatsApp

Fast support for admission guidance, application planning, and next steps.

 **+8615151876122**

Message us now and let us guide you on when to apply and how to make your application stronger.

Bachelor Program Fields

Available undergraduate study options in China

MEDICAL & HEALTH SCIENCES

- MBBS (Clinical Medicine)
- Dentistry (Stomatology)
- Pharmacy
- Nursing
- Public Health
- Medical Laboratory Science
- Biomedical Science
- Radiology
- Traditional Chinese Medicine (TCM)
- Rehabilitation Therapy
- Optometry

Note: MBBS and Pharmacy are among the most widely offered in English.

BUSINESS, MANAGEMENT & ECONOMICS

- Business Administration (BBA)
- International Business
- International Economics & Trade
- Finance
- Accounting
- Marketing
- Human Resource Management
- E-commerce
- Logistics & Supply Chain Management
- Entrepreneurship
- Banking & Finance
- Investment Economics

Note: These are among the most popular English-taught programs.

DEMAND COURSES

- Artificial Intelligence
- Big Data Technology
- Robotics
- Renewable Energy Engineering
- Smart Manufacturing
- FinTech
- Digital Economy

Bachelor Program Fields

Available undergraduate study options in China

CORE ENGINEERING

- Civil Engineering
- Mechanical Engineering
- Electrical Engineering
- Electronic Engineering
- Chemical Engineering
- Petroleum Engineering
- Environmental Engineering

ADVANCED / SPECIALIZED ENGINEERING

- Mechatronics Engineering
- Robotics Engineering
- Automation Engineering
- Aerospace Engineering
- Marine Engineering
- Railway Engineering
- Bridge & Tunnel Engineering
- Vehicle Engineering
- Energy & Power Engineering

Note: China is especially strong in engineering and technology programs.

TECHNOLOGY & IT

- Computer Science & Technology
- Software Engineering
- Artificial Intelligence
- Data Science & Big Data
- Cyber Security
- Information Technology
- Network Engineering
- Telecommunications Engineering

WhatsApp: +8615151876122

Bachelor Program Fields

Available undergraduate study options in China

LAW & LEGAL STUDIES

- International Law
- Chinese Law (for international students)
- Commercial Law
- Economic Law
- Diplomacy & International Relations

SOCIAL SCIENCES & HUMANITIES

- International Relations
- Political Science
- Sociology
- Psychology
- Anthropology
- Philosophy
- History
- Linguistics
- English Language & Literature
- Chinese Language (for foreigners)
- Teaching Chinese as a Foreign Language

MEDIA, COMMUNICATION & FILM

- Journalism
- Mass Communication
- Broadcasting
- Film Production
- Television Production
- Digital Media
- Media & Communication Studies

Note: Programs like film and digital media are also offered in English.

ART, DESIGN & CREATIVE PROGRAMS

- Fine Arts
- Visual Communication Design
- Graphic Design
- Fashion Design
- Industrial Design
- Product Design
- Animation
- Digital Arts

- Engineering
- Advanced Manufacturing
- Medical Research
- Biotechnology
- Transportation Systems
- Data Science
- Environmental Science
- Materials Science
- Smart Cities
- Green Construction
- Quantum Computing
- Semiconductors

GENERAL STUDY DURATION

- Master's Programs: Usually 2–3 years
- PhD Programs: Usually 3–4 years

NON-DEGREE PROGRAMS IN CHINA^{M & C Scholarship Consultancy}

Chinese Language Programs & Foundation Programs

Chinese Language Programs

- Speaking
- Listening
- Reading
- Writing
- HSK Preparation

Duration

- 1 Semester (4–6 months)
- 1 Year
- 2 Years

Tuition Fees

- Budget Universities: 4,500 – 8,000 RMB/year
- Mid-Level Universities: 8,000 – 15,000 RMB/year
- Top Universities: 15,000 – 25,000 RMB/year

Accommodation

- Shared Dorm: 400 – 1,200 RMB/month
- Single Room: 1,200 – 3,500 RMB/month

WhatsApp: +8615151876122

FOUNDATION PROGRAMS

M & C Scholarship
Consultancy

Preparation Programs for Degree Studies

Students Usually Study

- Chinese Language
- Mathematics
- Physics
- Chemistry
- Academic English
- Computer Basics
- Introductory University Courses

Duration

- 6 Months
- 1 Year

Foundation Program Fees

- Budget Universities: 8,000 – 12,000 RMB/year
- Mid-Level Universities: 12,000 – 18,000 RMB/year
- Top Universities: 18,000 – 39,000 RMB/year

Accommodation

- Shared Dormitory: 500 – 1,200 RMB/month
- Single Room: 1,200 – 3,500 RMB/month

WhatsApp: +8615151876122

BENEFITS & IMPORTANT INFORMATION

M & C Scholarship
Consultancy

Non-Degree Programs in China

Benefits of Foundation Programs

- Enter degree programs later
- Improve weak academic records
- Learn Chinese before university
- Adapt to Chinese education
- Improve academic performance

Important Notes

- Most programs do NOT require HSK
- Usually do NOT require IELTS
- Easier admission process
- Fast admission processing
- Admission letters usually issued within 1–3 weeks

Estimated Total Yearly Cost

- Chinese Language Program: 8,000 – 20,000 RMB/year
- Foundation Program: 12,000 – 30,000 RMB/year

WhatsApp: +8615151876122

MBBS PROGRAMS IN CHINA

M & C Scholarship
Consultancy

Clinical Medicine (MBBS) for International Students

About the MBBS Program

- MBBS is mainly a self-funded medical program in China
- Officially called Clinical Medicine (MBBS)
- Usually taught in English
- Program duration is normally 6 years
- Final year includes hospital internship training

What Students Study

- Human Anatomy
- Physiology
- Biochemistry
- Pathology
- Pharmacology
- Surgery
- Internal Medicine
- Pediatrics
- Obstetrics & Gynecology
- Clinical Diagnosis
- Medical Imaging

WhatsApp: +8615151876122

MBBS FEES & COSTS IN CHINA

M & C Scholarship
Consultancy

Estimated Costs for International Students

Tuition Fees

- Budget Medical Universities: 18,000 – 28,000 RMB/year
- Mid-Level Medical Universities: 30,000 – 40,000 RMB/year
- Top Medical Universities: 40,000 – 50,000 RMB/year

Accommodation Fees

- Shared Dormitory: 2,000 – 5,000 RMB/year
- Single Room: 6,000 – 12,000 RMB/year

Living Expenses

- Food: 800 – 1,500 RMB/month
- Transport: 100 – 300 RMB/month
- Personal Expenses: 300 – 1,000 RMB/month

Estimated Total Cost

- Tuition + Hostel: 25,000 – 50,000 RMB/year
- Including Living Expenses: 35,000 – 70,000 RMB/year

WhatsApp: +8615151876122

IMPORTANT MBBS INFORMATION

M & C Scholarship
Consultancy

Requirements & Important Notes

Important Notes

- Most MBBS programs are self-funded
- Many programs are taught in English
- Most universities do NOT require IELTS
- Students may need entrance interviews
- Good science background is recommended

Recommended Subjects

- Biology
- Chemistry
- Physics

Program Structure

- Classroom medical training
- Laboratory practicals
- Clinical hospital rotations
- Final-year internship training

SCHOLARSHIPS IN CHINA

Bachelor's, Master's & PhD Scholarships

M & C Scholarship
Consultancy

Chinese Government Scholarship (CSC)

- Available for Bachelor's, Master's & PhD students
- Usually covers tuition, accommodation & stipend
- Bachelor students usually apply through the Chinese Embassy
- Bachelor students usually apply for Type A CSC Scholarships

Monthly Stipends

- Bachelor's: Around 2,500 RMB/month
- Master's: Around 3,000 RMB/month
- PhD: Around 3,500 RMB/month

Important Bachelor's CSC Information

- Students usually need to write the CSC exam
- Many Bachelor's CSC programs are taught in Chinese
- HSK certificates improve competitiveness

WhatsApp: +8615151876122

BACHELOR SCHOLARSHIP INFORMATION

M & C Scholarship
Consultancy

Important Scholarship Guidance

Full Scholarships

- Very competitive for Bachelor's students
- Usually require extremely high grades
- Strong academic performance is important

Partial Scholarships

- Common for students with average grades
- May cover part of tuition fees

Students With Lower Grades

- Usually advised to apply for lower tuition universities
- Self-funded programs are more common

WhatsApp: +8615151876122

Master's Scholarship Information

- Full scholarships usually require GPA 3.0/4.0 or above
- Strong academic records improve scholarship chances
- Recommendation letters strengthen applications

HSK & Chinese Language

- HSK certificates improve CSC scholarship chances
- Chinese language proficiency makes applicants more competitive
- Some English-taught programs still prefer HSK

Common Scholarship Types

- Full Scholarships
- Partial Scholarships
- Tuition Reduction Scholarships
- Accommodation Scholarships

APPLICATION REQUIREMENTS

M & C Scholarship
Consultancy

Required Documents for Studying in China

General Documents

- Clear coloured copy of the passport home page
- Highest academic certificate
- Complete academic transcripts
- Completed application form
- English proficiency certificate

Academic Documents

- Study plan or personal statement
- Two recommendation letters for Master's and PhD applicants
- Curriculum Vitae (CV) for postgraduate applicants

Official Documents

- Police clearance certificate
- Foreigner Physical Examination Form
- Previous China visa and residence permit copies (if applicable)

WhatsApp: +8615151876122

IMPORTANT APPLICATION INFORMATION
